Emergency Response Operations Courses

:: Turning Driving Into A Skill

Since 1994, DriveTeam, Inc. has trained police officers from 120 departments across Ohio in emergency response and pursuit driving techniques. This training is done through DriveTeam's **Emergency Response Operations Courses (EROC) division**. Results show significant decreases in police crash rates and increased officer and public safety.

Current Courses Available ...

One-Day Pursuit Supervision Course

Classroom

- Pursuit Management, Policy Decisions, Ohio Revised Code, Police Liability issues
- Afternoon work-shop elements include: Multi-jurisdictional pursuits, Pursuit Case Studies

Excellent course for:

- Preventing liability issues
- Supervising real world pursuits
- Developing pursuit policies and procedures

Tuition: \$199.00 per participant
(Includes: Continental Breakfast, Lunch, Participant Book, Pre/Post testing, Certificate of Completion)

Hemi-Cruiser Course

(Designed for the new Dodge Charger, Hemi-Cruiser)

Vehicle Dynamics curriculum focusing on:

- New chassis
- Hemi characteristics and limitations.
- Understanding how to use E.S.P is a must!

Tuition: \$299.00 per participant

Two-Day Emergency Response & Pursuit Course

Day One - Classroom

- Ohio Revised Code
- Liability issues
- Vehicle Dynamics

Day One - Driving Range

- Vehicle Dynamics and the limits of adhesion
- Driver limitations
- Hands-on experience with ABS, Traction Control and ESP safety systems

Day Two - Classroom

- Define pursuit guidelines
- Advanced vehicle dynamics
- Pre/Post tests to meet course objectives

Day Two - Driving Range

- Pursuit scenarios
- SkidCar training for "safe" experience in: Front Push, Rear Loose, All Wheel Skid

Tuition: \$499.00 per participant
(Includes: Continental Breakfast, Lunch, Participant Book, Pre/Post testing, Certificate of Completion. (We recommend two officers per vehicle))
